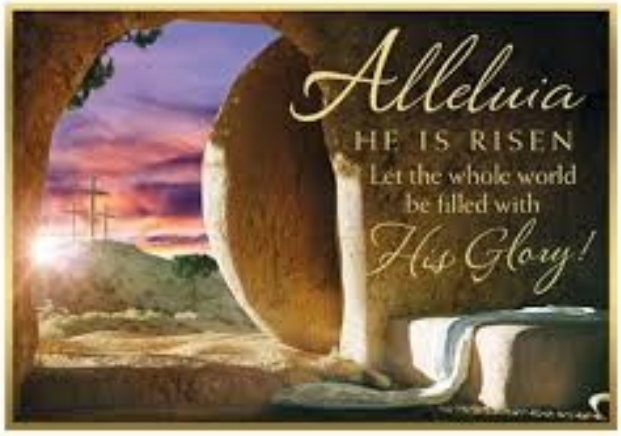
Friday 12th April 2024

Our Catholic Mission



We praise you in this Easter season. Change our lives, change our hearts to be messengers of Easter joy and hope. We make our prayer through Jesus Christ, our risen Lord forever.

Amen

Virtues

In assembly next week the children will be introduced to our new virtues for this half term, where they will be growing to be **eloquent and truthful** in what they say of themselves, the relations between people, and the world.

We will be helping the children grow by developing an eloquent language which pupils can use to understand and articulate their emotions, beliefs, and questions, encouraged by the example of their teachers to be truthful in the way they represent themselves and speak about the world.

Social Action

Thank you for returning all 'loose change' that was collected during Lent in the Good Shepherd bags. We will let you know the total when this has been counted! This will be combined with the amazing £385 raised through our cake sales. This money will make a huge difference to a local charity based in Coleshill for the homeless, elderly, refugees and families who need support. Thank you to our outstanding families in our school who are always so supportive.

Summer Term Return…

Wow – What a great start to the Summer Term…

The children have returned dressed to impress and raring to go and have hit the ground running! We have seen some fantastic learning this week and we can't wait to see what the children achieve in the weeks ahead!

We have had some sunny weather this week, reminding us how lovely this term is.

There is information below about Statutory testing this term.

Please see the new DATES list below… lots for the diaries. More information about some of these events will follow in newsletters or through Parentmail.

Continue to check this as more dates may be added to this in RED.

Safeguarding Cards are being reissued and sent home with all our children today. This provides useful information for any child or family member of contact details if concerned or worried about a child. There is also useful contact details for other professional agencies that maybe useful.

Other Information

Statutory Testing:

This term, is significant for certain year groups in our school.

Year 6 – Tuesday 30th May

The children in Year 6 this term have been working extremely hard in their preparation for their end of key stage assessments in May. They have been attending boosters, doing catch-ups, extra home learning and continue to challenge themselves to improve and get better. As recognition for all their hard work this term, we will be rewarding them after Sat's with a well-deserved Pizza delivery lunchtime feast. Therefore there is no requirement for you to provide lunch for Year 6 children on this day.

Year Six SATs

On Monday May 13th, the children in Year 6 will begin their SATs. We are so proud of the hard work and commitment they have demonstrated throughout Year 6 and we know that each and every child will give their very best during test week. In the lead up to test week, you can support your child by ensuring they get plenty of sleep, drink plenty of water and have breakfast each morning. Also, please encourage your child to relax and to look forward to demonstrating their learning. Whilst we understand that there is some unavoidable pressure on children up and down the country, we want the children in Year 6 to feel as relaxed as possible, knowing that we are all very proud of them regardless of a test result… this is the message we are sharing at school and you can help by reinforcing it at home.

Year 1 Phonics screening – Week commencing Monday 10th June.

Year 4 the multiplication tables check (MTC) - Commence June 3rd over 2 weeks. This is a relatively new test and has been introduced by the government to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.

Year Two

This year, there is not a statutory requirement for children in Year 2 to do their SATs. However, as Year 2 are almost completely unaware they are being tested and can ensure they do not feel any undue pressure we will use some SATs papers as one form of assessment that enable us to know how well each child in Year 2 is achieving.

Any further questions please speak with your child's class teacher or the office where someone will get back to you.

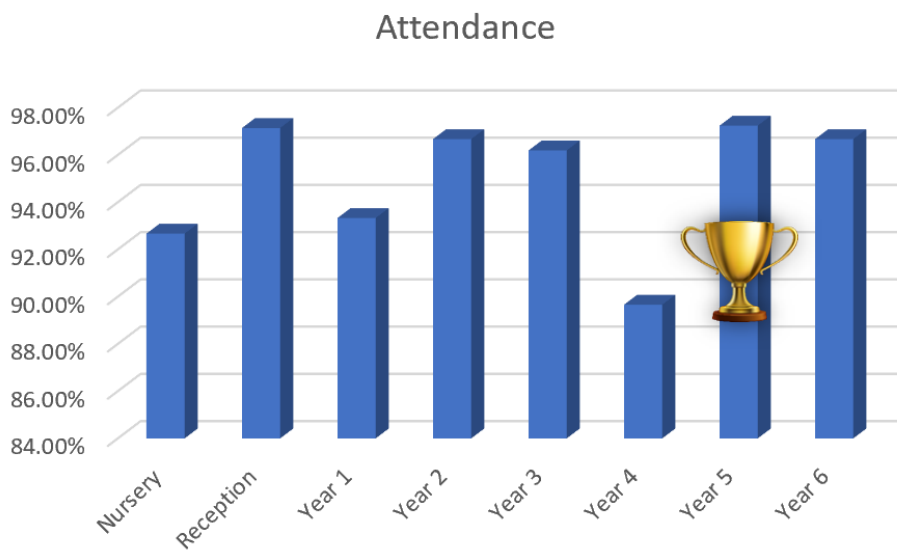
Year 3... Go APE!

On Thursday, Year 3 embarked on a thrilling trip to Go Ape, where they courageously tackled an array of challenges, showcasing their resilience and teamwork. The experience provided valuable opportunities for personal growth and skill development.

Art Day

On Tuesday and Thursday, Nursery and Reception had the pleasure of hosting artist Chaz for an amazing art day. The children crafted remarkable sculptures from wicker, forming various shapes. These creations will soon adorn the new EYFS garden; we eagerly anticipate the unveiling of their final masterpieces.

Attendance



This weeks winners of extra play is YEAR 5!!
