With grace and humility, glorify the Lord by your

St Anne's Church—Masses:

Saturday 5pm & Sunday 10:30am

There are daily masses at 9.30am

https://www.saint-anne-nuneaton.co.uk/index.html

Friday 19th January 2024

Our Catholic Mission

This week, we have discussed the very special virtues for this half term where the children are growing to be **compassionate** towards others, near and far, especially the less fortunate; and **loving** by their just actions and forgiving words.

We will grow by being **compassionate** and **loving** in the way pupils are treated, especially when a pupil is in trouble; and by opening pupils' eyes to those who suffer poverty, injustice or violence.

The Greatest Commandment - Matthew 22:36-39

"Teacher," he asked, "Which is the greatest commandment in the Law?" Jesus answered, "Love the Lord your God with all your heart, with all your soul, and with all your mind. This is the greatest and the most important commandment. The second most important commandment is like it: Love your neighbor as you love yourself."

Social Action

Maths: Reminder

On **Friday 2nd February,** as part of National Number Day we will have a 'coin race' where each class will make a line of coins in the playground competing to make the biggest line. In preparation for this, children may start to bring in any spare coins that you may have at home for their class. Afterwards, the coins collected will go towards our MAC foodbank, supporting families across the MAC with weekly food parcels. Thank you for your support with this.

Other Information

Home Learning (Year 1—Year 6)

This week, the children will be taking home our new format for home learning. Each week, your child/ children will receive a 'talk about', 'read about' and 'write about' task. These will align closely with the learning objectives covered within the classroom, allowing for reinforced learning and consolidation of skills. We kindly ask that you support your child in completing their home learning tasks punctually and to the best of their ability. If you have any questions or concerns, please do not hesitate to contact your child's class teacher.

Staffing

Today, we say goodbye and good luck to Mrs Finelli-Calder as she begins her maternity leave. Both the staff and children will miss her. We can't wait for a visit with her new bundle of joy soon.

Targets, Curriculum Information & Knowledge Organisers

Curriculum information and knowledge organisers for this term can be found on our school website under 'Curriculum Information' https://www.stannesnuneaton.co.uk/. Class Targets will be sent next week to each year group sharing some of the skills your child is learning in key skills of English and Maths.

ESC Parent Representative

Thank you to everyone that voted for the parent ESC representatives over the last week. We are pleased to share that we can confirm that Daniella Fennelly-O'Bryan has been appointed to this role with the highest number of votes but wish to thank the other nominee, Diane Compton-Belcher, for her interest.

This week....

Bikeability

This week our Reception children had a fantastic time doing their Bikeability training. They talked about the importance of wearing a helmet, how to put it on correctly and how to ride their bikes safely.

Coming Soon....

Hopes & Dreams

Friday 9th February - 9am-10.30am

On Friday 9th February, we will be holding a Hopes and Dreams morning. You will be able to join your child in their class and share their books so you can celebrate their learning and progress. There will be a short activity for you to complete with your child about your shared hopes and dreams for the future. If you have more than one child you will have time to visit them in their own classroom across the morning. We hope you can make it. This event will finish ready for playtime at 10.30am.

Reminders

Year 6 SATs

On Wednesday 7th February the SATs information will be sent virtually to all year 6 parents. We hope this will provide you with information around SATs testing this year. Any further questions following this, you can either email the child's class teacher or contact the office admin to speak to myself or Mrs Thorneycroft.

Bikes & Scooters

We kindly request that when dropping off or collecting your child/ren, bikes and scooters are not ridden in the school. This precaution is in place to ensure the safety of all children and adults and prevent any accidents happening.

Dates List

Please find the dates for this term below. There are lots opportunities for you to get involved so please put any relevant dates in your diary! New dates will be added in red and anything highlighted yellow is where parents can attend.
