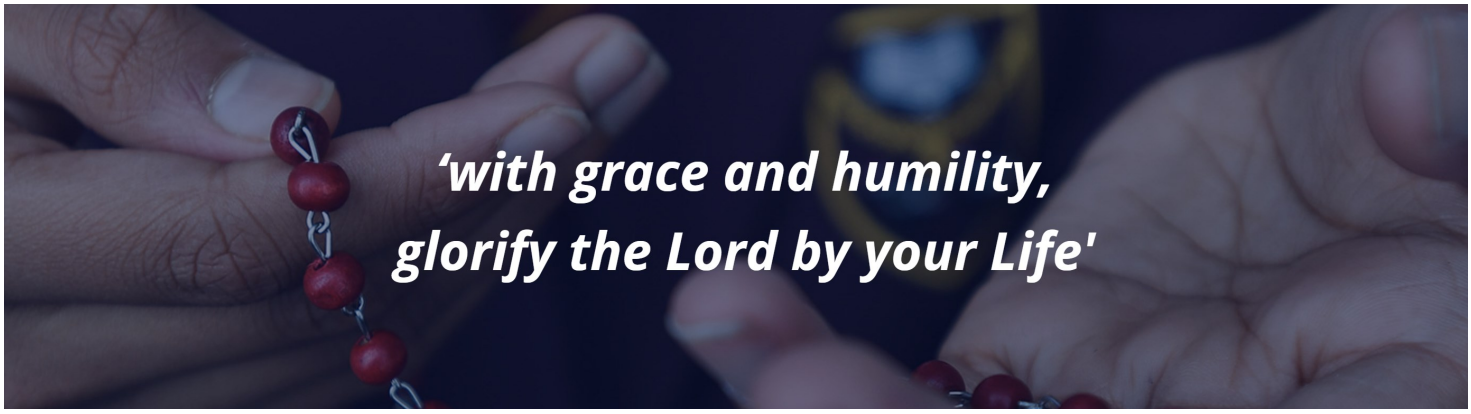
Our Catholic Mission

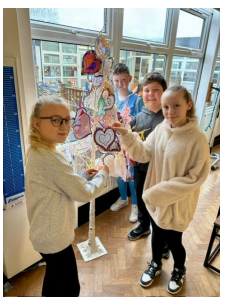


The Children have been learning our Catholic Mission over the last week and how we live this through our lives.

Grace = the help God gives us to respond to His Word
Humility = we know we're not perfect but we give ourselves to God and to the service of others
Glorify = we praise God
By your life = in all we say and do

Hopes and Dreams

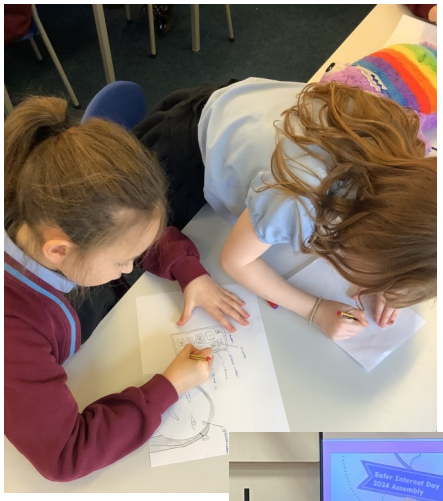
Thank you to all the parents who joined us for our Hopes and Dreams morning.



This week…

Safer Internet Day

This week, all of the children celebrated Safer Internet Day 2024, learning around the theme 'Inspiring Change? Making a difference, managing influence and navigate change on line.' The children completed activities in their classes and came back together for a sharing assembly. The children articulated their learning and shared their lovely learning.



Intra-House Cross Country

This week, the children competed in their first intra-house cross country event. It was great to see so many smiles before, during and after the races. We had some fantastic running. The winning house was St John Paul II. Well done everyone.

Next week…

Bikeability

FREE Bikeability Level 2 training over the February half term. See attachment for more information.

Other information…

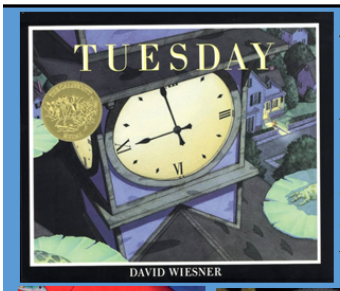
As a school, we will again be celebrating World Book Day on Thursday 7th March 2024.

We invite all children to come in dressed as their favourite book character or as animal—which will link to our chosen school text—Tuesday (more details below.)

At some point during the week beginning 5th February, your child will be bringing home a £1 book token. As half term home learning, we would love it if you could redeem the voucher against one of the 15 £1 books below at one of the listed shops. This will then make the book yours for FREE!

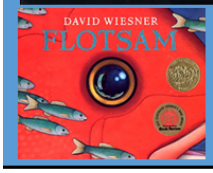
The redemption period for World Book Day 2024 £1 tokens is **from Thursday 15th February until Sunday 31st March.** Vouchers can be redeemed at the following retailers:

- **Asda**
- **Sainsburys**
- **Tesco**
- **The Works**
- **Waterstones**
- **WHSmith**
- **Blackwells (selected stores only)**



A largely wordless picture book, Tuesday conveys the strange happenings one evening when a fleet of frogs glide in on floating lily pads, alarming the natives of a quiet American suburb. Mysterious and atmospheric, Tuesday asks far more questions than it answers!

On World Book Day, each class will be exploring this book on different levels. Various activities will be planned by the class teachers which will allow the children to use their imagination and innovation to create some fabulous writing. Prizes will be awarded for the most impressive pieces!



- Other recommended books by David Wiesner.

Dates List

Please find the dates for this term below.

There are lots opportunities for you to get involved so please put any relevant dates in your diary!

New dates will be added in red and anything highlighted yellow is where parents can attend.

Attendance

Any pupil with 90% attendance from the beginning of the year will receive a letter sharing this information the first week back after half term. Any questions or if you would like to discuss further please arrange a meeting to meet me or our Attendance Lead, Clare Brayne.

Finally…

Thank you to everyone who attended Hopes & Dreams this morning.

Happy half Term… We return to school on Monday 19th February. Enjoy the break.

Thought of the week…
