## Catholic Life

Support

Many people struggle to cope at one point or another of their lives. Reaching out to someone could help them know that someone cares, that they are valued, and help them access the support they need.

Everyone copes and reacts in their own way but as a family we need to make sure that we are all here to support each other. If you have any worries or concerns over the coming months please come in and talk to us. Whether it be emotional worries or financial we are here to help if we can. Sometimes just having someone listen and a cup of tea can make all the difference.

## Safeguarding

At St. Anne's we take safeguarding very seriously and ask you all to support as parents. If you have a concern about a child please report it. Phone the Police if you feel it is an emergency on 999 or phone Nuneaton Children's Team 01926 414910 if you have a concern and cannot speak to someone at school. Our doors are always open if you are worried about a child. Please talk about it!

## Attendance

Please ensure that if your child is poorly or has a medical appointment that you phone the school office on 024 76392877.
By law, all children of compulsory school age must get a suitable, full-time education. As a parent/carer, you are responsible for making sure this happens. Once your child is registered at St. Anne's Catholic Academy, you are responsible for making sure your child has regular and punctual attendance at school.

The Local Authority (LA) is responsible for making sure that parents/carers fulfil their responsibilities, and as a school we work closely with Warwickshire Attendance Service and discuss any children who do not have good attendance. As a parent/carer, you are committing an offence if you fail to make sure that your child attends school regularly. You run the risk of being prosecuted by the LA if your child's attendance is poor.

Please work with us to ensure your child gets the education they are entitled to and deserve.

# Year Two

Year two have made a wonderful start to the year so far! They have all been settling in so well and trying their best. They have all been very busy – learning the story of the Bear and the Piano and exploring our playground to find out about the uses of different materials in Science. We even learnt a new song in Music and created our own penguin huddle dances in PE!

## Attendance and Punctuality

Her Majesty's Inspectors are monitoring our attendance figures from the beginning of the school year. Our Target is 97% overall and our current figure is 95.1%. We all have to work together to keep improving attendance and punctuality in school. Last weeks percentages are listed below.
