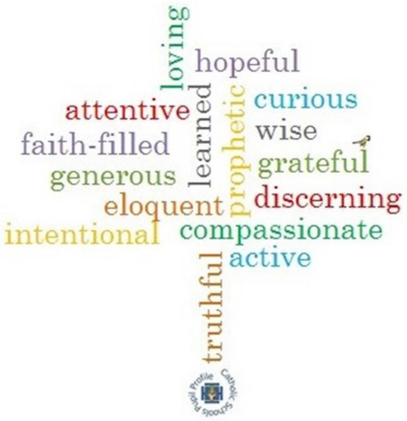
Friday 13th September 2024

Dear Parents,

Our Catholic Mission



On Wednesday, Father George celebrated our first school Mass of the academic year, led by Year 6. The readers were fantastic, Year 6 modelled exemplary behaviour for all the other children and the singing was beautiful. Father George warmly welcomed us back and reminded us of the importance of Loving and serving one another.

In our worship assembly this week, the children explore the virtues for this half term which are: '**Active'** and '**Curious'** The children will be thinking and learning about being curious about everything in our world and trying to learn and gain as much knowledge as we can. They will also look and discuss how they can be active in their engagement in the world, changing what they can for the better, in the life of the school, the Church and the wider community.

Social Action

Foodbank re-starts 20th September

We're pleased to announce that our school foodbank will be starting again on the 20th of September. This is here to support families within the MAC community who might be experiencing temporary difficulties. If your family could use some assistance, please don't hesitate to reach out. Simply text 07741 280959 on Monday to arrange for a collection on the following Friday. We're here to help.

'With grace and humility, glorify the Lord by your life'

This Week....

Your child's targets for this term will be sent home today. Targets are intended to give an indication of the skills your child should focus on when they are learning at school and at home. Children who receive interventions in school will also be receiving further information.

Awards and Assemblies

This week, we have had our first achievement assembly, where children can bring any awards or certificates for any achievement they receive outside of school. 'Star Awards' will be presented in Friday assemblies and a text will be sent the day before. Parents are welcome to join us for these. Other weekly or termly awards, will be presented in class by their teacher. Next week, our first 'Celebration Assembly' will be lead by Year 4.

Other Information

Macmillan Coffee Morning

On Friday 27th September we will be holding a cake sale for the children with all proceeds going to the Macmillan Coffee Morning appeal, raising money for this very worthwhile charity. We would also very much appreciate cake donations, which can be brought to school from Thursday 26th September; shop-bought or homemade will both be greatly appreciated. The children can bring in money to buy a cake at breaktime (no more than £1).

In the afternoon from 2.15pm, parents/families are welcome to drop into our upper school hall for coffee and cake and a chance for parents to meet before collecting your children. Any leftover cakes will be sold at the end of the school day.

Safeguarding

Please be reminded of the Safeguarding contact details, which can be used if you or your child have any concerns or know of anyone who feels unsafe. This is to provide a further layer of support for our children and families.

SAFEGUARDING

If you are worried or feeling unsafe, you can talk to an adult in school or you can call or text us.

Safe and Active Schools Programme provided by WCC Road Safety Education Team

Our school has signed up to the Safe and Active Schools Programme 2024-2025. As part of the programme all children will be receiving age-appropriate road safety sessions, and we will also be participating in and promoting active travel.

We recognise how important this message is for our children. Your children copy your actions, and your behaviour serves as a powerful role model. We would like to ask all our families to model the safest behaviours near the road for children to copy and make good choices around travelling actively on the school run.

We will be sharing messages and ideas from the Safe and Active Schools team and further information about the children's road safety learning in school throughout the year.

For further information about road safety and active travel you can follow or contact the road safety education team.
